To whom it may concern:

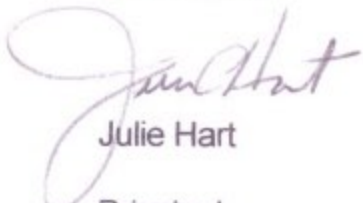

It has been with great pleasure that for nearly a decade we have had the opportunity to collaborate on numerous projects with Shannon Sheehan and her team at Citizen Properties.

With projects ranging from commercial to residential, whatever the scope or size ... Citizen steps up to the curb bringing years of experience, professionalism and integrity.

Shannon stands by her work, has wonderful attention to detail and keeps meticulous records.

Passing the true test in this business is that Shannon maintains good relationships with homeowners for years after project completion. Her thriving business consists primarily on referrals and recommendations.

Thank you,

Julie Hart
